

Description of Monumental Shooting Events

Match Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Turkey Shoot	Barnes	50 yds	Hit or Miss	20	Standing	Turkey or Novelty Target	Any safe rifle, any caliber, anysights	No competition coat/sling/glove canbe used.	Consider .22 cal rim fire rifle on a calm day, center fire rifle on windy day. Ruger 10/22 type rifle with medium power scope is a good rim fire choice. Use 22 to 30 cal. hunting rifle with medium power scope for center fire.
Beef Shoot	Barnes	50 yds	Hit or Miss	20	Standing	Novelty Target	Any safe rifle, any caliber, anysights	No competition coat/sling/glove canbe used.	Consider .22 cal rim fire rifle on a calm day, center fire rifle on windy day. Ruger 10/22 type rifle with medium power scope is a good rim fire choice. Use 22 to 30 cal. hunting rifle with medium power scope for center fire.
Deer Rifle Shoot	High Power Range	200 yds	Point Scoring (100 possible)	20	5 Shots Standing, 5 Shots Sitting, 5 Shots Prone, 5 Shots sitting rapid fire	Life Size Deer Target	Any safe rifle suitable/legal for deer hunting, anysights	No competition coat/sling/glove canbe used.	Use of typical deer rifle encouraged, 24 to 30 cal. Is the right choice for most. Use of a target rifle is not encouraged.

Description of Monumental Shooting Events

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Reactive Rifle	Barnes	50 yds	Hit or Miss	20	Standing	Neubold target size 4	Any safe .22 rim fire rifle, any sights	No competition coat/sling/glove can be used.	A Ruger 10/22 or sporting weight bolt action rifles are typical choices in this event.
Slug Gun	Barnes	50 yds	Hit or Miss	10	5 shots Standing 5 shots Sitting	Bullseye target (2 inch ten ring) for score	Any safe shotgun. Rifled barrels and rifled slugs are okay. Scopes are okay.	No competition coat/sling/glove can be used	
Masters Tournament	Barnes & High Power	Part 1: 100 yds Rimfire	Hit or Miss	20 total (10 shots/100 Yards, 10 shots/ 200 Yards)	Bench rest for 100 Yards, Prone for 200 Yards	Golf ball sized target	Any safe rifle, any caliber, any sights	Competition equipment is allowed: coat/sling/glove can are encouraged	Entry fee to be charged for this event. This may be a two day event if allotted time and range access become problematic. Extreme accuracy is needed from the shooter, rifle, and ammunition in order to do well in this competition. Target rifles and scopes are obvious choices for use in this event.

Description of Monumental Shooting Events

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
		Part 2: 200 yds Center Fire			Prone for 200 yds				
High Power Prone Match	High Power Range	200 yds	Point Scoring (200-20X possible)	20	Prone w/sighters	MR52 target (200 yd slow fire)	Any sporting/match/Palma/service rifle, any safe center rifle, fire any caliber, any sights	Competition coat/sling/glove/mat can be used.	Bolt action rifle or AR-15 are proper/common choices
Bench Rest Match	Barnes Range Bench Rest Area	50 yds Rim Fire/100 Yds Center Fire	Scoring is by points and smallest 5 shot group	10 shots for score-rimfire / 5 shots for group-centerfire	Sitting at the benchrest with use of rifle support (sandbag or similar device)	BR 50 and IBS Targets	Rim Fire - Any safe rim fire rifle, any sights Center Fire – Any safe center fire rifle, any sights	No competition coat/sling/glove can be used. Rifle rest/support is required. Wind flags are allowed.	For Rim Fire: a target/heavy barrel rifle is recommended as well as good target or match ammunition (Eley, Lapua and RWS are dominant choices). For Center Fire: recommend using a target/sniper/varmint/benchrest-built rifle with match or precision loaded ammunition. Use of wind flags can be used in order to keep groups small.

Description of Monumental Shooting Events

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Small Bore Club Championship	Barnes Range	50 yds	Point Scoring (400-40X possible)	40	Prone	NRA A-23/25 50 Yard target	Any safe 22 rim fire rifle may be used, any sights	Competition coat/sling/glove can be used and highly recommended.	Match is usually dominated by .22 rim fire target rifles. We have a limited number of Anschutz rifles, mats, gloves, and scopes that can be borrowed from our Juniors program if you would like to try this course of fire. Coaching is available to any new shooters.
Bob Dunn Rifle	Barnes Range	100 yds	Hit or Miss	25	Standing	100 Yard Small Bore Rifle Target	No competition coats	No competition coats	A .22 caliber rifle is good for calm (no wind) days. If windy, a center fire will be better. A sporting/heavy barrel rifle is the most frequent choice. Using match grade ammunition is helpful but not essential. Note: this is the first of 3 events that make up the Monumental Rifle and Pistol Club Bob Dunn Competition

Description of Monumental Shooting Events

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Pete Conroy Rifle Match	Barnes Range	100 yds	Point Scoring (250-25X possible)	25	Bench Rest	100 Yard Small Bore Rifle Target	Any rifle, any caliber, any sights	No competition coats	A .22 caliber rifle is good for calm (no wind) days. If windy, a center fire will be better. A sporting/heavy barrel rifle is the most frequent choice. Using match grade ammunition is helpful but not essential.
(open to shooter's age 55 and over, held same day as the Bob Dunn Match)									

Description of Monumental Shooting Events

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Same Old Crowd Rifle Match	High Power Range	200 yds	Hit or Miss	Variable	Standing, facing away from target, holding rifle on shoulder and use a mirror to sight rifle while standing on one leg. Any miss of the target and shooter forfeits \$1000.00 to each by-stander observing the match. Shooter must post \$250,000.00 bond with the Range Officer prior to the	Standard ping-pong ball	Any safe rifle may be used, iron sights only.	Mirror No competition coat/sling/glove can be used.	None

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
Service Pistol Match	Patapsco Pistol Range	25 yds	Point Scoring (250-25X)	25	Standing - one or two hands	Standard NRA 25 Yard Target	Any safe pistol issued/used by either military or police in any county from any time period, any caliber, and in a safe condition to shoot.	Iron sights only. If the original pistol had fixed sights that is all that can be used: no retrofit of adjustable sights are allowed. Different grips can be substituted for original ones. Original barrel only. For example, a match barrel can not be used on a Colt 1911 .45 Auto, only a 'government' stamped barrel can be used. Above all, the gun must be one which was originally issued by either the military or the police, in any country, from any time period, any caliber and it must be in a safe condition to fire. In keeping with the spirit of this	The gun must be one which was originally issued by either the military or the police, in any country, from any time period, any caliber and it must be in a safe condition to fire. In keeping with the spirit of this competition, modifications to any service pistol, if any, should be kept to a minimum.

Name	Range	Distance	Scoring	No. of Shots	Position	Target	Firearm	Equipment	Recommendations
"Snubby" Pistol Match	Patapsco Pistol Range	25 yds	Hit or Miss	25	Standing with two hands	Standard NRA 25 Yard Target	Revolvers only. Barrel length restricted to 3 inch maximum. Any sights. Any pistol that is safe to shoot.	None	Most shooters in this event use .38 Special snub nose revolvers. Other popular pistols are the .22, .32, .44 caliber revolvers. Light powered ammunition will give the shooter the best control by reducing recoil and thereby improving the score.
Bulls-eye Pistol Match	Patapsco Pistol Range	25 yds	Point Scoring	30 total •10 shots slow fire in 10 minutes •10 shots timed fire in 20 seconds •10 shots rapid fire in 10 seconds	Standing with one hand	Standard NRA 25 Yard Target	Match pistol is recommended in order to score well. Iron or red dot sights allowed.	Any safe pistol may be used	This is a NRA type event, and match pistols are recommended, if not required, in order to score well. Match ammo is recommended, iron or red dot sights are allowed. Some 22 match autos recommendations are: Ruger Mark II/Mark III, Smith & Wesson Model 41, and Walther GSP. In center fire, Colt 1911 type autos are very popular.
